Dear Staff, Board of Directors, and Community Governments,

I'm very pleased to announce that David General has recently joined the Dehcho Business Development Centre in Fort Simpson as the new General Manager. David began his employment with us, January 10, 2022, and will be reporting to me and the Board of Directors.

As General Manager, David's responsibilities will include advancing the Centre's mandate by enhancing the local economy and stimulating employment through business development in the Dehcho Region. He will be managing and be responsible for the day-to-day activities and operations of the Centre.

David comes to us with more than 40 years of business experience, most recently as a Business Consultant with the Canadian University Service Overseas (CUSO) in Jamaica. His employment history includes a short stint with Dehcho First Nations as an Executive Director, Director of Project Development for Kitikmeot Corporation, and Senior Financial Analyst for the Government of Nunavut.

David holds a Master of Business Administration (MBA) from McMaster University, majoring in Management Science/Operations Research. David continues to keep himself current by enrolling in a law program at Western University, nearing completion and maintaining a GPA at the top 1% of his class.

Please join me in extending a heartfelt welcome to David as he begins this phase of his career. We look forward to a collaborative and mutually beneficial working relationship.
